**SECURITIES AGENT SIMULTANEOUS
REGISTRATION DISCLOSURE APPLICATION**

In order for a securities agent to simultaneously represent more than one broker-dealer or issuer who are not affiliated by direct or indirect common control, Section 551.402(5)-(6), Wis. Stats., requires that the Division of Securities grant approval in writing prior to the agent engaging in such activities. That statute and administrative rule SEC 4.01(8), Wis. Adm. Code, thereunder, requires a written application, which may be a copy of the Form U-4 or in letter form, to be filed with the Division in addition to this disclosure form that contains certain required information.

Rule 4.01(8) requires that **EACH** broker-dealer or issuer the agent represents to grant written permission to the agent to represent specified other employers, to list all restrictions they have imposed on the agent's securities activities, and to provide written disclosure of such information to the applicant's customers.

Also, the rule requires the agent to sign the disclosure form. Each employing broker-dealer or issuer must provide with this application a copy of the form of written disclosure that will be used to advise clients of the agent's simultaneous registration status.

Approval of the application for simultaneous registration, if granted, will be evidenced on this form by the Administrator (or a designee) and a copy supplied to each of the agent's broker-dealer or issuer employers. Alternatively, the Division may communicate its approval in another written form such as an e-mail message.

This document can be made available in alternate formats upon request to qualifying individuals with disabilities. This form is required under Section 551.402 Wis.
